"Let us love, not in word, but in truth and action." (1 John 3:18)

Dear Parents/Carers

The Governors of Copp School have adopted a **No Debt Policy** relating to the provision of school meals.

If debts are incurred, then the school budget has to pay for, this means that money which should be spent on children's education is used to pay for debts incurred by parents. I am sure that every parent will agree that this is unacceptable and we respectfully request that all parents and carers give this policy their full support.

Parents/carers must pay in advance for their child's school lunch using ParentPay on the Monday morning of that week. If your child is having an occasional meal, this should be paid for on or before the day of the meal.

When a parent/carers fails to pay dinner money, a phone call will be made to request either the funds or a packed lunch to be brought into school; obviously this does not include extraordinary circumstances and no child will be allowed to go hungry.

If you feel that your child may qualify for entitlement to free school meals, please contact the office for more details.

We very much appreciate your co-operation with this.

Yours faithfully
